### Aberdeen Drift Buster Snowmobile Club Events

#### Notes from the President...

It has been another whirlwind of a month for the club, filled with meetings, convention, events, community service, and even a new Snocat. This edition is full of photos and more details of what the club has been doing, so I hope you take some time to check it out.

As I am writing this, it is lightly snowing, and the holidays are just days away. It really is too easy to get caught up in the chaos of the season and forget to pause and appreciate the dedication of our members who contribute their time and talents to our successes – whether it is taking meeting minutes, balancing our finances, volunteering on cold days to mark trails, giving up an afternoon to groom trails, updating websites, and organizing events.

We really are stronger together, and if you haven't joined us in a while, we invite you back. We would love to see you. Our next Club meeting will be January 2nd at the Richmond Oasis at 7:30pm. As we know this is not possible, it would be great to see ALL of our Club members at the next meeting.

Wishing everyone joy and peace during this Holiday Season!

Sincerely,

Kelly Weismantel

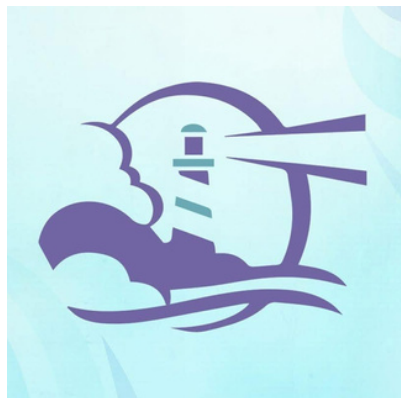

President of the Aberdeen Drift Buster Snowmobile Club

## Drift Busters in the Community

The Club recognizes all the support that **Safe Harbor** provides to members of our community when they need it most. Our Club is proud to have donated \$500.00 for them to continue their much-needed services. We hope other members of the community would consider donating as well.

The Club participated in the Aberdeen Downtown Association **Parade of Lights to benefit Safe Harbor.**

Thank you Lee and Tracy Olson for representing the Club.

The Aberdeen Drift Buster Snowmobile Club got a new to use, Snocat and drag to be used by the Club on the Dakota Midland Trail.

Now all we need is some snow!

Weaver, checking on his new Snocat. Making sure it is comfortable!

Merry Christmas and Happy Holidays from the Aberdeen Drift Buster Snowmobile Club. Without the support of our members and sponsors, the Club would not be what it is today. We appreciate all your support and friendship. Hopefully we will have a White Christmas so Weaver can use the new groomer!
