#### **Notes from the President...**

The winter is slowly slipping away, and we haven't had enough snow to really enjoy sledding in our area. But that doesn't mean the club hasn't been active. New signage has been placed in key areas on the trail to direct traffic to associate member businesses and on our new-to-us groomer to let everyone know who is responsible for maintaining the local trail system.

We have also welcomed two new associate members with Dakota Silk Screen (check out the link to the new club swag!) and City Lights Bar and Event Center (keep an eye out for a meeting or event to be held there soon!)

Many members have been traveling to get some throttle therapy in and\* meet up on the trails at their destinations! So, no matter where you may be riding, keep an eye open for friends from back home!

Sincerely,

Kelly Weismantel

President of the Aberdeen Drift Buster Snowmobile Club
