Aberdeen Drift Buster Snowmobile Club Events

Notes from the President...

With the lack of snow, the Aberdeen Drift Buster Snowmobile Club members have continued to stay active. From attending the Governors Trail Ride to exploring the trails of the Black Hills, Aberdeen Drift Buster Snowmobile Club members are finding the time to hit the trails. With the uncertainty of snow for the Aberdeen area and the Dakota Midland Trail, we want club members to know WE ARE NOT getting discouraged. Many club members are busy planning an upcoming Poker Chip Run to honor Dennis and Wanda Gelling for all they have done for the Aberdeen Drift Buster Snowmobile Club and the great sport of snowmobiling. This event will be held Snow or No Snow! Snowmobiles on the Dakota Midland Trail with vehicles on designated maintained roads. This event is open to the public and all club members. Information is available on the website and Facebook page for the Aberdeen Drift Buster Snowmobile Club. Please make plans to attend! Our next meeting scheduled for March 6th at Pizza Ranch the Club will discuss events, club officers, and board members. Your support is needed! Club support brings forward a club we all enjoy.

Sincerely,

Kelly Weismantel

President of the Aberdeen Drift Buster Snowmobile Club
