Notes from the President...

As the weather warms up and the chances of measurable snow dwindle, many of us will soon be putting our snowmobiles into long-term storage, holding out hope for more local trail riding next season. Despite the lack of snow, our club had an action-packed year! **Here's a quick recap of our highlights:**

- August – We kicked off the season by participating in Sizzling Summer Nights on Aberdeen's Mainstreet.
- September – The club gathered for a fun campout at Wylie Park.
- October – We celebrated International Snowmobile Day with a Show and Shine at Ken's Express and took part in Northern State University's Homecoming Parade.
- November – A busy month of installing trail markers and servicing our groomer to prepare for the season ahead.
- December – We attended the South Dakota Snowmobile Association Convention and lit up the night by joining Aberdeen's Parade of Lights.
- January & February – The snow may have been scarce, but we spent these months sharing stories, praying for snow, and commiserating with fellow riders.
- March – We wrapped up the season by hosting the Dennis and Wanda Gelling Poker Chip Run, with all proceeds donated to the Midwest Honor Flight.

Even when the weather doesn't cooperate, there are still plenty of reasons to join the club. Club dues not only help support the local trail system but also contribute to the fun events we host throughout the year. We make the most of whatever Mother Nature gives us! It's been a busy year, and we're already gearing up for an even busier one ahead! Stay tuned and keep an eye on our Facebook page for more exciting events to come.

Sincerely,

Kelly Weismantel
